The Race for Life benefits the Women's Resource Medical Centers of Southern Nevada (WRMCSN) and enables them to serve families faced with a crisis pregnancy by providing **FREE** pregnancy testing, counseling, ultrasounds, material services like diapers, formula and clothing. You can help to support a new much needed free service, prenatal care.

You are encouraged to join the WRMCSN as they celebrate the precious gift of LIFE with the Body of Christ on October 12th at WRMCSN!

Register to participate and help to raise the necessary funds so they can continue to offer critical services free of charge to over 6,000 clients each year. It's an excellent opportunity to help share God's truth about LIFE while enjoying a day filled with food, fellowship and FUN!

SOS Radio will be on site as the event emcee too.
