

This job description reflects the management's assignment of essential function; it does not prescribe or restrict the tasks that may be assigned.

PROGRAM DIRECTOR

REPORTS TO: Chief Executive Officer

SUMMARY

Program Director is responsible for managing the programs, activities and managers/supervisors of all program related departments to ensure Women's Resource Medical Centers of Southern Nevada (WRMCSN)'s standard of care.

ESSENTIAL FUNCTIONS

STAFF DEVELOPMENT

- Manage supervisors of each department; scheduling, interviews, hires, and trains a productive leadership team and conducts performance reviews.
- Identify capacities needed (skill sets and competencies) to achieve programmatic and organizational goals. Work with senior staff to ensure those capacities are developed or acquired.
- Serve as resource advisor to program staff and support their work by managing resources, opportunity, time, and information.
- Participate in yearly performance assessments of program staff, goal setting, and support professional development on an ongoing basis
- Communicate and update leadership teams on progress and activity.
- Responsible for ensuring updates to policies and procedures for all program related activities and departments and communicating/ training processes to staff and volunteers.

PROGRAM DEVELOPMENT, DIRECTION, AND MANAGEMENT

- Consistently review current policies and procedures to ensure best practice and compliance with state and federal healthcare regulations, medical laws and ethical standards.
- Develop and effectively direct programmatic activities to ensure program performance methodology is sound and they position WRMCSN to be a leader regionally and nationally.
- Serve as a senior leader for pregnancy health content, program design, evaluation, and dissemination across all programs.
- Monitor scopes of work to ensure timeliness, quality and accuracy of activities vis-à-vis contractual and grant commitments. Ensure programmatic excellence through

development and implementation of innovative performance and outcomes measures.

- Ensure and direct the development of regular and timely programmatic updates across all programs to ensure cross-pollination of ideas, knowledge-building, and resource sharing. This includes helping to develop a knowledge management system and supporting processes.
- Facilitate small and large group meetings, internally and externally. This may also include facilitating on site community meetings.
- Monitor national initiatives in the field of pregnancy care over abortion as well as programmatic innovations and best practices from other sectors to ensure that WRMCSN program staff remains well-informed. Ensure that innovations and best practices are incorporated into WRMCSN programmatic activities.
- Lead the collaborative development of survey, monitoring and evaluation tools.
- Ensure regulatory compliance with HIPPA, OSHA, labor laws, and other federal, state and local regulations.
- Consistently review current policies and procedures to ensure that the department is operating on the highest level of WRMCSN's standard of care and mission.
- Oversee client patient satisfaction, including troubleshooting when there is a complaint and developing process improvements to prevent recurrences.
- Provide executive reports of program outcomes for CEO and Board of Trustees.
- Oversee all aspects of program budget; establishing financial needs of each department and manage spending.
- Responsible for the financial performance of the revenue cycle if medical billing is instituted.
- Perform and participate in quality/performance improvement activities.
- Direct and oversee accreditation, compliance, and regulatory activities of the organization.

COMMUNITY ASSESMENT AND DEVELOPMENT

- Partners, leads and collaborates with key individuals, groups, coalitions and organizations to effect change and generate positive health outcomes within our community.
- Identifies opportunities for collaborative relationships with local, state, regional and national sources.
- Ensures updated community referral information for organization's referral program.
- Establishes collaboration over referral with organizations wherever possible.

EDUCATION AND EXPERIENCE

- Bachelor's degree required
- Strong work tenure: 5 to 10 years of experience in strategic planning and grant management oversight, preferably in a non-profit organization

- Experience working with high-level decision makers, trustees, and other stakeholders.
- Demonstrated experience of program strategic planning: leadership, structure, implementation and outcome phases.
- Demonstrated experience in planning and establishing evidence-based program initiatives.
- Demonstrated track record of grant writing and grant management.
- Community involvement a plus.

SKILLS & QUALIFICATIONS

- An active, growing personal relationship with Jesus Christ as Savior and Lord.
- Compassion for and commitment to providing abortion alternatives to women facing unplanned pregnancies and their unborn babies.
- Proven leadership skills and management experience, including the ability to develop team performance and a genuine desire to coach and mentor
- Excellent analytical, interpersonal, organizational, and writing skills; Knowledge of medical issues and terminology.
- Strong relationships throughout the public health field and across other sectors on the regional and national levels
- Knowledge of clinical practice standards, normal maternal/fetal growth and development.
- Knowledge of healthcare systems operations.
- Model professional conduct through appearance, communication, mutual respect, leadership, ethical decision-making, critical thinking, and problem-solving skills.
- Demonstrate responsibility for professional practice through active participation in professional organizations and continuing education in related field; healthcare, program and grant management.
- Demonstrate an understanding and knowledge of HIPAA Privacy and Security regulatory policies and internal procedures concerning Protected Health Information (PHI) Use and Disclosure.
- Leadership skills; ability to lead others and develop the employees and volunteers that have been entrusted to your care and oversight.
- Able to independently seek out resources and solve complex problems.
- Strong public speaking and presentation skills; as well as discretion, sound judgment, and political acumen
- Requires a clear understanding and empathy for the challenges faced by resource- and capacity limited communities; a firm grasp of community capacity building; and knowledge/understanding of health equity and economic and social determinants of health
- Able to record activities, document assessments & interventions; prepare reports and presentations. All communication in written, oral and electronic modes expected to be culturally relevant, timely and legally and ethically responsible.
- Highly effective organization, multi-tasking, communication, negotiation and interpersonal skills.

- Personal, professional and public integrity. Treats colleagues with respect and dignity and demonstrates conflict resolution skills.
- Contribute to promoting a culturally responsive work environment.
- Adherence to standards and codes of conduct that govern behavior among peers and colleagues so as to contribute to maintaining a work environment that promotes cooperation, respect and trust.
- Participates in building consensus and resolving conflict in the context of policies, programs and services, always promoting the organizational vision, goals and plan.
- A “team-mindset” to contribute to and benefit from working together with the whole ministry to fulfill WRMCSN’s mission.
- Proficient in Microsoft Office (Outlook, Word, Excel, and Power Point), Adobe Acrobat, and Social Media web platforms.
- Must have valid driver’s license and current insurance for light to moderate local travel.
- All employees are expected to participate in fundraising and volunteer recruitment activities.
- Must be willing to complete a background check.
