

## **Statement of Principle**

The Women's Resource Medical Centers of Southern Nevada, Inc. (WRMCSN) is an outreach ministry of Jesus Christ through His Church. Therefore, WRMCSN, embodied in its volunteers, is committed to presenting the Gospel of our Lord to families with crisis pregnancies both in word and in deed. Commensurate with this purpose, those who labor as WRMCSN board members, directors, and volunteers are expected to know Christ as their Savior and Lord.

The WRMCSN is committed to providing its clients with accurate and complete information about both prenatal development and abortion.

The WRMCSN is committed to integrity in dealing with clients, earning their trust, providing promised information and services. The WRMCSN denounces any form of deception in its corporate advertising or individual conversations with its clients.

The WRMCSN is committed to assisting women to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women may face the future with hope and plan constructively for themselves and their babies.

The WRMCSN does not discriminate in providing services because of race, creed, color, national origin, age or marital status of its clients.

The WRMCSN does not recommend, provide, or refer for abortion or abortifacients.

The WRMCSN offers assistance free of charge at all times.

The WRMCSN is committed to creating awareness with the local community of the needs of pregnant women and of the fact that abortion only compounds human need rather than resolving it.

The WRMCSN does not recommend, provide or refer single women for contraceptives.

The WRMCSN recognizes the validity of adoption as one alternative to abortion, but is not biased toward adoption when compared to the other life-saving alternatives. Centers are independent of adoption agencies, relating to them in the same manner as to other helpful referral sources. WRMCSN receives no payments of any kind from these agencies, does not enter into contractual relationships with them, and does not share combined office space. Adoption agencies are not established under the auspices of WRMCSN. WRMCSN neither initiates nor facilitates independent adoptions, although adoption referrals are given.
